PROFILE

Currently in the second year of my Bachelor of Engineering (B.E.) degree at Vivekanand Education Society's Institute of Technology (VESIT) with a projected graduation date of 2026. As a computer engineering student with a passion for web development, I am eager to embark on an internship journey that allows me to apply my technical skills and gain hands-on experience in the ever-evolving world of web development. I bring a strong foundation in programming, a desire to learn and grow, and a commitment to delivering high-quality web solutions. My academic coursework and personal projects have equipped me with the necessary skills and knowledge to contribute effectively to web development projects.

EDUCATION

Bachelor of Engineering (B.E.) in Computer Engineering
Vivekanand Education Society's Institute of Technology (VESIT), Mumbai, Maharashtra
